SOLES4SOULS

Don’t throw your shoes away. Donate them!

The shoes can be any type — children’s or adult — new or gently used — sneakers, dress, formal, sandals, boots, etc.

When you keep shoes out of landfills you are protecting the environment and creating meaningful opportunities

Co-sponsored by the Disability Alliance at Princeton, International Employee Group at Princeton (IEGAP), Latino Princetonians, PPPL Young Professionals Network, Princetonians of Color Network, the Department of Public Safety and the Office of Community & Regional Affairs
