## NOTICE FOR RESIDENTS OF UTAH

### Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
  - o \$500,000 in death benefits
  - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
  - o \$500,000 in hospital, medical and surgical insurance benefits
  - o \$500,000 in long-term care insurance benefits
  - o \$500,000 in disability income insurance benefits
  - o \$500,000 in other types of health insurance benefits
- Annuities
  - o \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

**Note: Certain policies and contracts may not be covered or fully covered.** For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 3 IA, Chapter 28.

A Covered Person may designate any person, including their provider, as their authorized representative. References in this section to "Covered Person" include the Covered Person's authorized representative, where applicable.

A Covered Person may also submit Written comments or supporting documentation concerning the claim to assist in Our review. Our response to the initial appeal, including specific reasons for the decision, shall be communicated to the Covered Person within thirty (30) calendar days after receipt of the request for the appeal.

**Second Level Appeal.** If a Covered Person disagrees with the response to the initial appeal of the denied claim, the Covered Person has the right to a second level appeal. A request for a second level appeal must be submitted to Us within sixty (60) calendar days after receipt of Our response to the initial appeal. We shall communicate Our final determination to the Covered Person within thirty (30) calendar days from receipt of the request, or as required by any applicable state or federal laws or regulations. Our communication to the Covered Person shall include the specific reasons for the determination.

**Other Remedies.** When a Covered Person has completed the appeals stated herein, additional voluntary alternative dispute resolution options may be available, including mediation or arbitration. Additionally, under the provisions of ERISA (Section 502(a)(1)(B) 29 U.S.C. 1132(a)(1)(B)), the Covered Person has the right to bring a civil action when all available levels of reviews, including the appeal process, have been completed. ERISA remedies may apply in those instances where the claims were not approved in whole or in part as the result of appeals under this Policy and the Covered Person disagrees with the outcome of such appeals.

**Time of Action.** No action in law or in equity shall be brought to recover on this Policy prior to the Covered Person exhausting his/her rights under this Policy and/or prior to the expiration of sixty (60) calendar days after the claim and any applicable documentation has been filed with Us. If You enroll for Contributory Insurance, You must also give the Policyholder Written permission to deduct premiums from Your pay for such insurance. You will be notified by the Policyholder how much You will be required to contribute.

In order to enroll for Vision Insurance for Your Dependents, You must either (a) already be enrolled for Vision Insurance for You or (b) enroll at the same time for Vision Insurance for You.

The Vision Insurance has a regular enrollment period established by the Policyholder. Subject to the rules of the Group Policy, You may enroll for Dependent Vision Insurance only when You are first eligible, during an enrollment period or if You have a Qualifying Event. You should contact the Policyholder for more information regarding the flexible benefits plan.

### **DATE VISION INSURANCE TAKES EFFECT FOR YOUR DEPENDENTS**

#### **Enrollment When First Eligible**

If You complete the enrollment process within 31 days of becoming eligible for Dependent Insurance, such insurance will take effect on the date You become eligible, provided You are Actively at Work on that date.

If You are not Actively at Work on the date the insurance would otherwise take effect, the insurance will take effect on the day You resume Active Work.

#### **If You Do Not Enroll When First Eligible**

If You do not complete the enrollment process within 31 days of becoming eligible, You will not be able to enroll for Dependent Insurance until the next enrollment period for Vision Insurance, as determined by the Policyholder, following the date You first become eligible. At that time You will be able to enroll for insurance for which You are then eligible.

#### **Enrollment During An Annual Enrollment Period**

During any enrollment period as determined by the Policyholder, You may enroll for Dependent Insurance for which You are eligible. The changes to Your Dependent Insurance made during an enrollment period will take effect on the first day of the calendar year following the enrollment period, if You are Actively at Work on that date.

## **ELIGIBILITY PROVISIONS: INSURANCE FOR YOUR DEPENDENTS (continued)**

If You are not Actively at Work on the date the insurance would otherwise take effect, insurance will take effect on the date You resume Active Work.

### **Enrollment Due to a Qualifying Event**

You may enroll for Dependent Insurance for which You are eligible between annual enrollment periods only if You have a Qualifying Event.

If You have a Qualifying Event for birth, adoption or placement for adoption of a dependent child, You will have 90 days from the date of that change to make a request. For all other Qualifying Events, You will have 31 days from the date of that change to make a request. This request must be consistent with the nature of the Qualifying Event. The insurance enrolled for or changes to Your insurance made as a result of a Qualifying Event will take effect on the first day of the calendar month coincident with or next following the date of the event, if You are Actively at Work on that date.

If You are not Actively at Work on the date the insurance would otherwise take effect, insurance will take effect on the day You resume Active Work.

**Qualifying Event** includes:

- marriage;
- the birth, adoption or placement for adoption of a dependent child;
- divorce, legal separation or annulment;
- the death of a dependent;
- a change in Your or Your dependent's employment status, such as beginning or ending employment, strike, lockout, taking or ending a leave of absence, changes in worksite or work schedule, if it causes You or Your dependent to gain or lose eligibility for group coverage;
- Your dependent's ceasing to qualify as a dependent under this insurance or under other group coverage;
- You previously did not enroll for Vision Insurance for You or Your dependent because You had other group coverage, but that coverage has ceased due to one or more of the following reasons:
  1. loss of eligibility for the other group coverage;
  2. termination of employer contributions for the other group coverage;
  3. COBRA Continuation of the other group coverage was exhausted; or
- Your or Your dependent's loss of coverage under any group health coverage sponsored by a governmental or educational institution.

Once You have enrolled one Child for Dependent Insurance, each succeeding Child will automatically be insured for such insurance on the date the Child qualifies as a Dependent.

## **ELIGIBILITY PROVISIONS: INSURANCE FOR YOUR DEPENDENTS (continued)**

### **DATE YOUR INSURANCE FOR YOUR DEPENDENTS ENDS**

A Dependent's insurance will end on the earliest of:

1. the date You die;
2. the date Vision Insurance for You ends;
3. the date the Group Policy ends;
4. the date You cease to be in an eligible class;
5. the date insurance for Your Dependents ends under the Group Policy;
6. the date insurance for Your Dependents ends for Your class;

8. the end of the period for which the last premium has been paid;
9. the last day of the calendar month the person ceases to be a Dependent, except that in the case of a Child who has reached the maximum age, insurance will end on the last day of the calendar year; or
10. the last day of the calendar month in which You retire in accordance with the Policyholder's retirement plan.

In certain cases insurance may be continued as stated in the section entitled CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT.

## **CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT**

### **FOR MENTALLY OR PHYSICALLY HANDICAPPED CHILDREN**

Insurance for a Dependent Child may be continued past the age limit if the child is incapable of self-sustaining employment because of a mental or physical handicap as defined by applicable law. Proof of such handicap must be sent to Us within 31 days after the date the Child attains the age limit and at reasonable intervals after such date.

Subject to the DATE YOUR INSURANCE FOR YOUR DEPENDENTS ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOUR DEPENDENTS, insurance will continue while such Child:

- remains incapable of self-sustaining employment because of a mental or physical handicap; and
- continues to qualify as a Child, except for the age limit.

### **FOR FAMILY AND MEDICAL LEAVE**

Certain leaves of absence may qualify for continuation of insurance under the Family and Medical Leave Act of 1993 (FMLA), or other legally mandated leave of absence or similar laws. Please contact the Policyholder for information regarding such legally mandated leave of absence laws.

### **COBRA CONTINUATION FOR VISION INSURANCE**

If Vision Insurance for You or a Dependent ends, You or Your Dependent may qualify for continuation of such insurance under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended (COBRA). Please refer to the COBRA section of Your summary plan description or contact the Policyholder for information regarding continuation of insurance under COBRA.

### **AT THE POLICYHOLDER'S OPTION**

The Policyholder has elected to continue insurance by paying premiums for employees who cease Active Work in an eligible class for any of the reasons specified below. If Your insurance is continued, insurance for Your Dependents may also be continued.

Insurance will continue for the following periods:

1. if You cease Active Work due to any other Policyholder approved leave of absence, for a period in accordance with the Policyholder's general practice for an employee in Your job class;
2. if You cease Active Work due to layoff, for a period in accordance with the Policyholder's general practice for an employee in Your job class;
3. if You cease Active Work due to injury or sickness, for a period in accordance with the Policyholder's general practice for an employee in Your job class;
4. if You cease Active Work due to part-time work, for a period in accordance with the Policyholder's general practice for an employee in Your job class;
5. if You cease Active Work due to strike, for a period in accordance with the Policyholder's general practice for an employee in Your job class.

The Policyholder's general practice for employees in a job class determines which employees with the above types of absences are to be considered as still insured and for how long among persons in like situations.

At the end of any of the continuation periods listed above, Your insurance will be affected as follows:

- if You resume Active Work in an eligible class at this time, You will continue to be insured under the Group Policy;
- if You do not resume Active Work in an eligible class at this time, Your employment will be considered to end and Your insurance will end in accordance with the DATE YOUR INSURANCE ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOU.

**CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT (continued)**

If Your insurance ends, Your Dependents' insurance will also end in accordance with the DATE YOUR INSURANCE FOR YOUR DEPENDENTS ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOUR DEPENDENTS.

## **VISION INSURANCE**

Benefits are available for Covered Services and Materials provided by either In-Network Vision Providers or Out-of-Network Vision Providers. However, You may be able to reduce Your out-of-pocket costs by using In-Network Vision Providers because Out-of-Network Vision Providers have not entered into an agreement to limit their charges. You are always free to receive services from any Vision Provider. You do not need any authorization from Us before seeing a Vision Provider.

In-Network Vision Providers have agreed to provide Covered Services and Materials as listed in the SCHEDULE OF BENEFITS.

If You or a Dependent incur a charge for Covered Services and Materials from an Out-of-Network Vision Provider, Proof of such service must be sent to Us. When We receive such Proof, We will review the claim and if We approve it, will pay the insurance in effect on the date that service was completed.

The benefits available under this Vision Insurance are set forth on the SCHEDULE OF BENEFITS. In addition to the Co-Payment, if applicable, You may be responsible for:

- the cost of any services or materials that are not Covered Services and Materials; and
- the cost of any service or material that is in excess of the Maximum Benefit Allowance listed on the SCHEDULE OF BENEFITS.

We do not provide vision services. Whether or not benefits are available for a particular service does not mean You should or should not receive the service. You and Your Vision Provider have the right and are responsible at all times for choosing the course of treatment and services to be performed.

When requesting Covered Services and Materials from an In-Network Vision Provider, We recommend that You confirm that the Vision Provider is currently an In-Network Vision Provider at the time that the Covered Services and Materials are provided.

You can obtain a customized listing of MetLife's In-Network Vision Providers either by calling 1-855-METEYE1 or by visiting Our website at [www.metlife.com/mybenefits](http://www.metlife.com/mybenefits).

### **PLAN BENEFITS**

We will pay benefits for charges incurred by You or a Dependent for Covered Services and Materials as shown in the SCHEDULE OF BENEFITS, subject to the conditions set forth in this certificate.

If You receive Covered Services and Materials from an In-Network Vision Provider, We will pay the provider directly for all covered benefits.

If You or Your Dependent receive Covered Services and Materials from an Out-of-Network Vision Provider, and You assign payment of Vision Insurance benefits to Your or Your Dependent's Vision Provider, We will pay benefits directly to the Vision Provider. Otherwise, We will pay Vision Insurance benefits to You.

#### **In-Network**

If Covered Services and Materials are provided by an In-Network Vision Provider, We will base the benefit on the Plan Benefits listed on the SCHEDULE OF BENEFITS.

If an In-Network Vision Provider provides Covered Services and Materials, You will be responsible for paying:

- the Co-Payment, if applicable; and
- the cost of any service or material that is in excess of the Plan Benefits listed on the SCHEDULE OF BENEFITS.

## **VISION INSURANCE (continued)**

### **Out-of-Network**

If Covered Services and Materials are provided by an Out-of-Network Vision Provider, We will base the benefit on the Plan Benefits listed on the SCHEDULE OF BENEFITS, subject to the Maximum Benefit Allowance.

Out-of-Network Vision Providers may charge You more than the Maximum Benefit Allowance. If an Out-of-Network Vision Provider provides Covered Services and Materials, You will be responsible for paying any amount in excess of the Maximum Benefit Allowance charged by the Out-of-Network Vision Provider.

### **Emergency Vision Care**

Emergency vision care means vision screening, examination, and evaluation by a Vision Provider, or, to the extent permitted by applicable law, by appropriate personnel under the supervision of a Vision Provider to determine if an emergency vision condition exists, and, if it does, the care and treatment necessary to relieve or eliminate the Emergency Vision Condition. The cost sharing applied to You for emergency care shall be the same regardless of whether the services were rendered by an In-Network Vision Provider or Out-of-Network Vision Provider.

### **Necessary Contact Lenses**

Necessary contact lenses are a Plan Benefit when specific benefit criteria are satisfied and when prescribed by Covered Person's In-Network Vision Provider. Generally, coverage will be authorized for the following reasons:

The codes listed above are from the International Classification of Diseases, Ninth Revision, Clinical Modification and are used to describe diseases, injuries, symptoms and conditions. If You have questions about the diagnoses listed above or the codes included with the diagnoses, please contact Your Vision Provider.

We will pay benefits for a 90 day period after Your insurance ends if:

- the Covered Service was performed by a Vision Provider while You are insured for Vision Insurance; and
- the Covered Service requires more than one visit to complete.

If You are Fully Disabled on the date Your Vision Insurance ends because the Group Policy ends, We will pay benefits for Covered Services if:

- Type 1 or Type 2 Diabetes and
- Specific ophthalmological conditions, including, but not limited to: diabetic retinopathy, rubeosis, and diabetic macular edema.

DEP Plus is intended to be a supplement to the Covered Person’s group medical plan. Any amounts not paid by the medical plan will be considered for payment by MetLife. If a Covered Person does not have a group medical plan, the In-Network Vision Provider will submit claims directly to MetLife.

If You or a Dependent incur a charge for Covered Services and Materials under DEP Plus from an Out-of-Network Vision Provider, Proof of such service must be sent to Us. When We receive such Proof, We will review the claim and if We approve it, will pay the insurance in effect on the date that service was completed.

Covered Services and Materials for the DEP Plus Program include eye examination(s) and special ophthalmological services.

## Referrals

If Covered Person’s In-Network Vision Provider cannot provide Covered Services and Materials, the provider will refer the Covered Person to another In-Network Vision Provider or to a provider whose offices provide the necessary services.

If the Covered Person requires services beyond the scope of DEP Plus, the In-Network Vision Provider will refer the Covered Person to another provider.

Referrals are intended to insure that Covered Persons receive the appropriate level of care for their presenting condition. Covered Persons do not require a referral from an In-Network Vision Provider to obtain Plan Benefits.

## In-Network

In-Network Vision Providers will first submit a claim to the Covered Person’s group medical insurance plan, and then to Us. The Covered Person must pay a Co-payment amount of \$20 at the time services are rendered. After payment of the Co-payment, the cost of an eye examination is covered in full. Special ophthalmological services are covered in full.

## Out-of-Network

## VISION INSURANCE: COORDINATION OF BENEFITS

You or Your Dependent may be covered for health benefits or services by more than one Plan. For instance, You may be covered by this Policy as an employee and by another Plan as a Dependent of Your spouse or civil union partner. If You or Your Dependent are, this provision allows Us to coordinate what We pay with what another Plan pays or provides. This provision sets forth the rules for determining which is the Primary Plan and which is the Secondary Plan. Coordination of benefits is intended to avoid duplication of benefits while at the same time preserving certain rights to coverage under all Plans under which the covered person is covered.

### Definitions

The words shown below have special meanings when used in this provision. Please read these definitions carefully.

**“Allowable Expense”** means the charge for any vision service, supply or other item of expense for which the covered person is liable when the vision service, supply or other item of expense is covered at least in part under any of the Plans involved, except where a statute requires another definition, or as otherwise stated below.

**“Claim Determination Period”** means a Calendar Year, or portion of a Calendar Year, during which You or Your Dependent are covered by this Policy and at least one other Plan and incurs one or more Allowable Expense(s) under such Plans.

**“Plan”** means coverage with which coordination of benefits is allowed. Plan includes:

- group insurance and group subscriber contracts, including insurance continued pursuant to a Federal or State continuation law;
- self-funded arrangements of group or group-type coverage, including insurance continued pursuant to a Federal or State continuation law;
- group or group-type coverage through a health maintenance organization (HMO) or other prepayment, group practice and individual practice Plans, including insurance continued pursuant to a Federal or State continuation law;
- Medicare or other governmental benefits, except when, pursuant to law, the benefits must be treated as in excess of those of any private insurance Plan or nongovernmental Plan.

Plan does not include:

- individual or family insurance contracts or subscriber contracts;
- individual or family coverage through a health maintenance organization or under any other prepayment, group practice and individual practice Plans;
- group or group-type coverage where the cost of coverage is paid solely by the covered person except when coverage is being continued pursuant to a Federal or State continuation law;
- school accident -- type coverage
- a State Plan under Medicaid

**“Primary Plan”** means a Plan whose benefits for a covered person's vision coverage must be determined without taking into consideration the existence of any other Plan. There may be more than one Primary Plan. A Plan will be the Primary Plan if either "1" or "2" below exist:

1. the Plan has no order of benefit determination rules, or it has rules that differ from those contained in this Coordination of Benefits provision; or
2. all Plans which cover the covered person use order of benefit determination rules consistent with those contained in the Coordination of Benefits provision and under those rules, the Plan determines its benefits first.

## **VISION INSURANCE: COORDINATION OF BENEFITS (continued)**

**“Reasonable and Customary”** means, for the purposes of this Coordination of Benefits provision only, an amount that is not more than the usual or customary charge for the service or supply as determined by the Plan, based on a standard which is most often charged for a given service by a Vision Provider within the same geographic area.

**“Secondary Plan”** means a Plan which is not a Primary Plan. If a covered person is covered by more than one Secondary Plan, the order of benefit determination rules of this Coordination of Benefits and Services provision shall be used to determine the order in which the benefits payable under the multiple Secondary Plans are paid in relation to each other. The benefits of each Secondary Plan may take into consideration the benefits of the Primary Plan or Plans and the benefits of any other Plan which, under this Coordination of Benefits and Services provision, has its benefits determined before those of that Secondary Plan.

### **Primary And Secondary Plan**

We consider each Plan separately when coordinating payments.

The Primary Plan pays or provides services or supplies first, without taking into consideration the existence of a Secondary Plan. If a Plan has no coordination of benefits provision, or if the order of benefit determination rules differ from those set forth in these provisions, it is the Primary Plan.

A Secondary Plan takes into consideration the benefits provided by a Primary Plan when, according to the rules set forth below, the Plan is the Secondary Plan. If there is more than one Secondary Plan, the order of benefit determination rules determine the order among the Secondary Plans. The Secondary Plan (s) will pay up to the remaining unpaid allowable expenses, but no Secondary Plan will pay more than it would have paid if it had been the Primary Plan. The method the Secondary Plan uses to determine the amount to pay is set forth below in the Procedures to be Followed by the Secondary Plan to Calculate Benefits section of this provision.

As is always true, we will not reduce Allowable Expenses for necessary and appropriate services and supplies on the basis that precertification, preapproval, notification or second surgical opinion procedures were not followed.

### **Rules For The Order Of Benefit Determination**

The benefits of the Plan that covers the covered person as an employee, member, subscriber or retiree shall be determined before those of the Plan that covers the covered person as a dependent. The coverage as an employee, member, subscriber or retiree is the Primary Plan.

1. The benefits of the Plan that covers the covered person as an employee who is neither laid off nor retired, or as a dependent of such person, shall be determined before those for the Plan that covers the covered person as a laid off or retired employee, or as such a person's dependent. If the other Plan does not contain this rule, and as a result the Plans do not agree on the order of benefit determination, this portion of this provision shall be ignored.
2. The benefits of the Plan that covers the covered person as an employee, member, subscriber or retiree, or dependent of such person, shall be determined before those of the Plan that covers the covered person under a right of continuation pursuant to Federal or State law. If the other Plan does not contain this rule, and as a result the Plans do not agree on the order of benefit determination, this portion of this provision shall be ignored.
3. If a child is covered as a dependent under Plans through both parents, and the parents are neither separated nor divorced, the following rules apply:
  - a. The benefits of the Plan of the parent whose birthday falls earlier in the Calendar Year shall be determined before those of the parent whose birthday falls later in the Calendar year.
  - b. If both parents have the same birthday, the benefits of the Plan which covered the parent for a longer period of time shall be determined before those of the parent for a shorter period of time.
  - c. Birthday, as used above, refers only to month and day in a calendar year, not the year in which the parent was born.

## VISION INSURANCE: COORDINATION OF BENEFITS (continued)

- d. If the other Plan contains a provision that determines the order of benefits based on the gender of the parent, the birthday rule in this provision shall be ignored.
4. If a child is covered as a Dependent under Plans through both parents, and the parents are separated or divorced, the following rules apply:
    - a. The benefits of the Plan of the parent with custody of the child shall be determined first.
    - b. The benefits of the Plan of the spouse or civil union partner of the parent with custody shall be determined second.
    - c. The benefits of the Plan of the parent without custody shall be determined last.
    - d. If the terms of a court decree state that one of the parents is responsible for the vision expenses for the child, and if the entity providing coverage under that Plan has knowledge of the terms of the court decree, then the benefits of that Plan shall be determined first. The benefits of the Plan of the other parent shall be considered as secondary. Until the entity providing coverage under the Plan has knowledge of the terms of the court decree regarding vision expenses, this portion of this provision shall be ignored.
  5. If the above order of benefits does not establish which Plan is the Primary Plan, the benefits of the Plan that covers the employee, member or subscriber for a longer period of time shall be determined before the benefits of the Plan(s) that covered the person for a shorter period of time.

### Procedures to be Followed by the Secondary Plan to Calculate Benefits

In order to determine which procedure to follow, it is necessary to consider:

- the basis on which the Primary Plan and the Secondary Plan pay benefits; and
- whether the Vision Provider who provides or arranges the services and supplies is in the network of either the Primary Plan or the Secondary Plan. For the purpose of applying the following provisions, if the Plan does not have a network, the Vision Provider will be considered on the same basis as an in-network Vision Provider.

Benefits may be based on the Reasonable and Customary Charge (R&C), or some similar term. This means that the Vision Provider bills a charge and the covered person may be held liable for the full amount of the billed charge. In this section, a Plan that bases benefits on a reasonable and customary charge is called an "R&C Plan."

Benefits may be based on a contractual fee schedule, sometimes called a negotiated fee schedule, or some similar term. This means that although a Vision Provider, called an In-Network Vision Provider, bills a charge, the covered person may be held liable only for an amount up to the negotiated fee. In this section, a Plan that bases benefits on a negotiated fee schedule is called a "Fee Schedule Plan." If the covered person uses the services of a Non-Network Vision Provider, the Plan will be treated as an R&C Plan even though the Plan under which he or she is covered allows for a fee schedule.

Payment to the Vision Provider may be based on a capitation. This means that the health maintenance organization (HMO) pays the Vision Provider a fixed amount per covered person. The covered person is liable only for the applicable deductible, coinsurance or copayment. If the covered person uses the services of a non-network Vision Provider, the HMO will only pay benefits in the event of emergency care or urgent care. In this section, a Plan that pays Vision Providers based upon capitation is called a "Capitation Plan."

In the rules below, "Vision Provider" refers to the Vision Provider who provides or arranges the services or supplies and HMO refers to a health maintenance organization Plan.

**The Primary Plan is an R&C Plan and the Secondary Plan is an R&C Plan:** The Secondary Plan shall pay the lesser of:

- the difference between the amount of the billed charges and the amount paid by the Primary Plan; and
- the amount the Secondary Plan would have paid if it had been the Primary Plan.

## VISION INSURANCE: COORDINATION OF BENEFITS (continued)

When the benefits of the Secondary Plan are reduced as a result of this calculation, each benefit shall be reduced in proportion, and the amount paid shall be charged against any applicable benefit limit of the Plan.

The Primary Plan is a Fee Schedule Plan and the Secondary Plan is a Fee Schedule Plan: If the Vision Provider is an In-Network Vision Provider in both the Primary Plan and the Secondary Plan, the Allowable Expense shall be the fee schedule of the Primary Plan. The Secondary Plan shall pay the lesser of:

- the amount of any deductible, coinsurance or copayment required by the Primary Plan; or
- the amount the Secondary Plan would have paid if it had been the Primary Plan.

The total amount the Vision Provider receives from the Primary Plan, the Secondary Plan and the covered person shall not exceed the fee schedule of the Primary Plan. In no event shall the covered person be responsible for any payment in excess of the copayment, coinsurance or deductible of the Secondary Plan.

The Primary Plan is an R&C Plan and the Secondary Plan is a Fee Schedule Plan: If the Vision Provider is an In-Network Vision Provider in the Secondary Plan, the Secondary Plan shall pay the lesser of:

- the difference between the amount of the billed charges for the Allowable Charges and the amount paid by the Primary Plan; or
- the amount the Secondary Plan would have paid if it had been the Primary Plan.

The covered person shall only be liable for the copayment, deductible or coinsurance under the Secondary Plan if the covered person has no liability for copayment, deductible or coinsurance under the Primary Plan and the total payments by both the Primary and Secondary Plans are less than the Vision Provider's billed charges. In no event shall the covered person be responsible for any payment in excess of the copayment, coinsurance or deductible of the Secondary Plan.

**The Primary Plan is a Fee Schedule Plan and the Secondary Plan is an R&C Plan:** If the Vision Provider is a network Vision Provider in the Primary Plan, the Allowable Expense considered by the Secondary Plan shall be the fee schedule of the Primary Plan. The Secondary Plan shall pay the lesser of:

- the amount of any deductible, coinsurance or copayment required by the Primary Plan; or
- the amount the Secondary Plan would have paid if it had been the Primary Plan.

**The Primary Plan is a Fee Schedule Plan and the Secondary Plan is an R&C Plan or Fee Schedule Plan:** If the Primary Plan is an HMO Plan that does not allow for the use of Non-Network Vision Providers except in the event of urgent care or emergency care and the service or supply the covered person receives from a non-network Vision Provider is not considered as urgent care or emergency care, the Secondary Plan shall pay benefits as if it were the Primary Plan.

**The Primary Plan is a Capitation Plan and the Secondary Plan is a Fee Schedule Plan or R&C Plan:** If the covered person receives services or supplies from a Vision Provider who is in the network of both the Primary Plan and the Secondary Plan, the Secondary Plan shall pay the lesser of:

- a) the amount of any deductible, coinsurance or copayment required by the Primary Plan; or
- b) the amount the Secondary Plan would have paid if it had been the Primary Plan.

### Right To Receive And Release Needed Information

Certain facts are needed to apply these COB rules. We have the right to decide which facts We need. We may get needed facts from or give them to any other organization or person. We need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give Us any facts We need to pay the claim.

## **VISION INSURANCE: COORDINATION OF BENEFITS (continued)**

### **Facility Of Payment**

A payment made under another Plan may include an amount which should have been paid under This Plan. If it does, We may pay that amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under This Plan. We will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable monetary value of the benefits provided in the form of services.

### **Right Of Recovery**

If the amount of the payments made by Us is more than it should have paid under this COB provision, We may recover the excess from one or more of:

- the persons We have paid or for whom We have paid;
- insurance companies; or
- other organizations.

The "amount of the payments made" includes the reasonable monetary value of any benefits provided in the form of services.

## **VISION INSURANCE: FILING A CLAIM**

### **CLAIMS FOR VISION INSURANCE**

If you select an In Network Vision Provider, You do not need to file a claim.

If you select an Out-of-Network Vision Provider, You may provide full payment to the Out-of-Network Vision Provider at the time of service and submit the invoice including an itemized statement of charges with Your claim form, or You may be able to assign the claim to the Out-of-Network Vision Provider. If the Out-of-Network Vision Provider accepts the assignment, the provider will submit the claim on your behalf. You will be responsible for any charges not covered by the Plan.

Out of network claim forms needed to file for benefits under the group insurance program can be obtained by calling MetLife at 1-855-METEYE1. If You do not receive the claim form before the expiration of 15 days after We receive notice of any claim under the policy, You shall be deemed to have complied with the requirements of the Group Policy. Vision claim forms can also be downloaded from [www.metlife.com/mybenefits](http://www.metlife.com/mybenefits). The instructions on the claim form should be followed carefully. This will expedite the processing of the claim.

When We receive the claim form and Proof, Your claim will be paid subject to the terms and provisions of this certificate and the Group Policy.

### **CLAIMS FOR VISION INSURANCE BENEFITS**

**When a claimant files a claim for Vision Insurance benefits described in this certificate**, both the notice of claim and the required Proof should be sent to Us within 90 days from the date of service. Failure to give notice within such time shall not invalidate nor reduce any claim if it shall be shown not to have been reasonably possible to give such notice and that notice was given as soon as was reasonably possible.

Claim and Proof may be given to Us by following the steps set forth below:

**Step 1**

A claimant can request a claim form by downloading it from [www.metlife.com/mybenefits](http://www.metlife.com/mybenefits).

**Step 2**

Complete the claim form as instructed and return it with the invoice.

**Step 3**

The claimant must give Us Proof not later than 180 days from the date of service.

Any interpretation or determination made pursuant to such discretionary authority shall be given full force and effect, unless it can be shown that the interpretation or determination was arbitrary and capricious.

## **NOTICE OF YOUR RIGHT AND YOUR DEPENDENTS' RIGHT TO COBRA CONTINUATION COVERAGE**

COBRA is a federal law that requires most group health plans to give their employees and their dependents the opportunity to continue coverage when coverage is terminated due to certain specific events. If your employment terminates for any reason other than your gross misconduct, or if your hours worked are reduced so that your coverage terminates, you and your covered dependents may be able to continue coverage under This Plan for a period of up to 18 months. If it is determined under the terms of the Social Security Act that you or your covered dependent is disabled within the first 60 days of COBRA coverage, you and your covered dependents may be able to continue your vision coverage under This Plan for an additional 11 months after the expiration of the 18 month period. In addition, if you should die, become divorced or legally separated, or become eligible for Medicare, your covered dependents may be able to continue coverage under This Plan for up to 36 months. Also, your covered children may be able to continue coverage under This Plan for up to 36 months after they no longer qualify as covered dependents under the terms of This Plan. Group health plans for employers with fewer than 20 employees, church plans, and plans established and maintained by the federal government are not subject to COBRA continuation requirements.

During the continuation period, a child of yours that is (1) born; (2) adopted by you; or (3) placed with you for adoption, will be treated as if the child were a covered dependent at the time coverage was lost due to an event described above.

This continuation will terminate on the earliest of:

- a. the end of the 18, 29 or 36 month continuation period, as the case may be;
- b. the date of expiration of the last period for which the required payment was made;
- c. the date, after you or your covered dependent elects to continue coverage, that you or your covered dependent first becomes covered under another group health plan as long as the new plan does not contain any exclusion or limitation with respect to your or your covered dependent's preexisting condition;
- d. the date your employer ceases to provide any group health plan for its employees.

Notice will be given when you or your covered dependent becomes entitled to continue coverage under This Plan. You or your covered dependent will then have 60 days to elect to continue coverage. If you or your covered dependent do not notify your Employer within the 60-day election period, you will lose the option to elect continuation coverage.

Each person who is eligible for COBRA coverage is entitled to make a separate election of COBRA coverage. Thus, a covered spouse (as defined by federal law) or dependent child (or parent on their behalf) is entitled to elect COBRA coverage even if the covered Employee does not make that election. However, covered Employees may elect COBRA coverage on behalf of their covered dependents. Any person who elects to continue coverage under This Plan must pay the full cost of that coverage (including both the share you now pay and the share your Employer now pays), plus any additional amounts permitted by law. Your payments for continued coverage must be made on the first day of each month in advance.

If you do not elect COBRA coverage, your vision coverage will end. However, if you initially waive COBRA continuation coverage before the end of the 60-day election period, you may change your election by sending the completed election form to the Plan Administrator and postmarking it no later than the last day of the 60-day election period.

### **If You Elect COBRA**

If you choose COBRA coverage and pay the required premiums, you are entitled to coverage which, as of the time coverage is being provided, is identical to the coverage provided by the Employer to similarly situated active Employees, spouses or dependent children. This means that if the coverage for similarly situated Employees, spouses or dependent children changes, coverage will change for those who elected COBRA coverage.

### **Duration Of COBRA Coverage**

The law requires that you be given the opportunity to maintain COBRA coverage for 36 months from the date coverage ends as a result of the qualifying event unless you lost coverage because of the covered Employee's termination of employment or reduction in hours. In that case, the required COBRA coverage period is 18 months from the date you lose coverage as a result of the termination of employment or reduction in hours. However, the 18-month coverage period may be extended under the following circumstances:

**Disability.** If any person entitled to COBRA coverage (the covered Employee, covered spouse or covered dependent child) is determined by the Social Security Administration to have been disabled at any time during the first 60 days of COBRA coverage period and the disability lasts at least until the end of the 18 month period of continuation coverage, then all such persons entitled to elect COBRA coverage may be able to continue coverage for up to 29 months, rather than 18 months.

In order to be eligible for the additional 11 months of COBRA coverage, the covered Employee, covered spouse or covered dependent child must notify the Employer's COBRA Administrator within 60 days of the **latest** of: (1) the Social Security Administration's determination of disability; (2) the date of the qualifying event; (3) the date on which the covered Employee's coverage initially was or will be lost; or (4) the date a person entitled to COBRA coverage is informed of this obligation by being provided the initial COBRA notice for the applicable group health plan. Written notice to the COBRA Administrator must be received before the end of the initial 18-month coverage period. A copy of the Social Security Administration's determination must be provided to the COBRA Administrator. **If these procedures are not followed, there will be no disability extension of COBRA.**

During the additional 11 months of coverage, your cost for that coverage will be approximately 50% higher than it was during the preceding 18 months.

The additional 11 months of coverage provided on account of a disability will end as of the earlier of:

- The first day of the month beginning more than 30 days after a final determination by the Social Security Administration that the disability no longer exists; or
- The last day of the 29th month of total coverage.

A person entitled to COBRA coverage must notify the COBRA Administrator within 30 days if the Social Security Administration determines that the disabled person is no longer disabled. This Plan reserves the right to retroactively cancel COBRA coverage, and will require reimbursement of all benefits paid for claims incurred after coverage terminates.

**Subsequent Qualifying Events.** If, during the 18-month period of COBRA coverage (or within the 29-month maximum coverage period in the case of a disability extension), the covered Employee and the spouse divorce, the covered Employee dies, the covered Employee becomes entitled to Medicare, or a dependent ceases to be an eligible dependent under the terms of This Plan, then the covered spouse and/or covered dependent child(ren) (as applicable) may be able to extend COBRA coverage for up to 36 months from the date of the termination of employment or reduction in hours.

A person entitled to COBRA coverage must notify the Employer's COBRA Administrator of the subsequent event no later than 60 days after its occurrence. If such notification is not given, the covered spouse and/or covered dependent child will not be entitled to the additional COBRA coverage.

### **Premiums For COBRA Coverage**

A person entitled to COBRA coverage is entirely responsible for paying the premiums for COBRA coverage. The required payment for each continuation coverage period for each option will be described in the notice that is sent when an individual experiences a qualifying event.

### **Initial Premium Payment**

If continuation of coverage is elected, payment for continuation coverage must be made no later than 45 days after the date of such election. (This is the date the election notice is post-marked, if mailed.) If the first payment for continuation coverage is not made in full by the 45th day after the date of election, continuation coverage under This Plan will end. A person entitled to COBRA coverage is responsible for making sure that the amount of the first payment is correct.

After the first payment for continuation coverage, the amount due for each coverage period for each qualified beneficiary will be provided when coverage is elected.

### **STATEMENT OF ERISA RIGHTS**

The following statement is required by federal law and regulation.

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all participants shall be entitled to:

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

#### **Continue Group Vision Plan Insurance**

Continue vision insurance for yourself, spouse or dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the Plan on the rules governing your COBRA continuation coverage rights.

## **Prudent Actions by Plan Fiduciaries**

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries.

No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

## **Enforce Your Rights**

If your claim for a welfare benefit is denied or ignored in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110.00 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court.

If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court.

The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees.

If you lose, the court may order you to pay these costs and fees; for example, if it finds your claim is frivolous.

## **Assistance with Your Questions**

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

- Ensure that adequate separation between the Plan and Plan Sponsor is established in accordance with the following requirements:

(A) Employees to be Given Access to PHI: The following employees (or class of employees) of the Plan Sponsor are the only individuals that may access PHI provided by the Plan:

**Office of Human Resources and Office of Risk Management**

(B) Restriction to Plan Administration Functions: The access to and use of PHI by the employees of the Plan Sponsor designated above will be limited to plan administration functions that the Plan Sponsor performs for the Plan.

(C) Mechanism for Resolving issues of Noncompliance: If the Plan Administrator or Privacy Officer determines that an employee of the Plan Sponsor designated above has acted in noncompliance with the plan document provisions outlined above, then the Plan Administrator or Privacy Officer shall take or seek to have taken appropriate disciplinary action with respect to that employee, up to and including termination of employment as appropriate. The Plan Administrator or Privacy Officer shall also document the facts of the violation, actions that have been taken to discipline the offending party and the steps taken to prevent future violations.

- Certify to the Plan, prior to the Plan permitting disclosure of PHI to the Plan Sponsor, that the Plan Documents have been amended to incorporate the provisions in this Section III.

**IV. Participants Rights**

Participants and their covered dependents will have the rights set forth in the Plan's or its vision insurer's HIPAA Notice of Privacy Practices for Protected Health Information and any other rights and protections required under the HIPAA. The Notice may periodically be revised by the Plan or its vision insurer.

**V. Privacy Complaints/Issues**

All complaints or issues raised by Plan participants or their covered dependents in respect to the use of their PHI must be submitted in writing to the Plan Administrator or the Plan's appointed Privacy Officer. A response will be made within 30 days of the receipt of the written complaint. In the event more time is required to resolve any issues this period can be extended to 90 days. The affected participant must receive written notice of the extension and the resolution of their complaint. The Plan Administrator or Privacy Officer shall have full discretion in resolving the complaint and making any required interpretations and factual determinations. The decision of the Plan Administrator or Privacy Officer shall be final and be given full deference by all parties.

## **VI. Security**

As a condition of the Plan Sponsor receiving electronic PHI (“ePHI”) from the Plan, the Plan Documents have been amended to incorporate the following provisions, under which the Plan Sponsor agrees to:

## **Uniformed Services Employment And Reemployment Rights Act**

This section describes the right that you may have to continue coverage for yourself and your covered dependents under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA).

### **Continuation of Group Vision Insurance:**

If you take a leave from employment for “service in the uniformed services,” as that term is defined in USERRA, and as a consequence your vision insurance coverage under your employer’s group vision insurance policy ends, you may elect to continue vision insurance for yourself and your covered dependents, for a limited period of time, as described below.

The law requires that your employer notify you of your rights, benefits and obligations under USERRA including instructions on how to elect to continue insurance, the amount and procedure for payment of premium. If permitted by USERRA, your employer may require that you elect to continue coverage within a period of time specified by your employer.

You may be responsible for payment of the required premium to continue insurance. If your leave from employment for service in the uniformed services lasts less than 31 days, your required premium will be no more than the amount you were required to pay for vision insurance before the leave began; for a leave lasting 31 or more days, you may be required to pay up to 102% of the total vision insurance premium, including any amount that your employer was paying before the leave began.

Your and your covered dependents’ insurance that is continued pursuant to USERRA will end on the earliest of the following:

- the end of 24 consecutive months from the date your leave from employment for service in the uniformed services begins; or
- the day after the date on which you fail to apply for, or return to employment, in accordance with USERRA.

You and your covered dependent may become entitled to continuation of coverage under the Consolidated Omnibus Budget Reconciliation Act (“COBRA”) while you have vision insurance coverage under your employer’s group vision insurance policy pursuant to USERRA. Contact your employer for more information.
